REQUIREMENTS AT-A-GLANCE:

- One-time Enrollment Fee of \$489 to get started
- 12-payments of \$849/month
- We reserve the right to deny services should we determine that we are not a good fit for you.
- Upon first meeting scheduled on calendar, the **One-time Enrollment Fee is non-refundable.**
- No products are delivered until total package price for that product is paid in full.
- Because your package consists of monthly coaching or consulting services, if you cancel your subscription for this service for any reason, **a 50% service charge is retained from the monthly fee at the time of cancellation for the current month, AND 100% of the funds paid for previous months are non-refundable during the contract period.**
- Any products created are retained by our company unless full fee for that product is paid in advance, along with the consulting and coaching rate.
- Prices subject to change unless we have a mutually signed active contract in ink or electronic.
- An Electronic Statement of Work is provided to you via email for your signature and our 12-month contracting purposes. Specific product deliverables will be stated in writing once we agree on those deliverables. NO PRODUCTS can be delivered if you as the client do not successfully complete all of your required work in the sessions and assignments offline. These

assignments will be in writing either from the books and/or additional requests via email and documented from our private 1-on-1 meetings.

- If you fail to complete assignments, this does not preclude your monthly fees to be paid and no refunds are issued for time already passed.
- This service renews annually and new products or enhancements are contracted each year until or unless cancelled by the subscriber.

Some Restrictions and Conditions apply.

Contact me to choose a different schedule other than monthly.

Subscription plan service options are subject to change at any time unless in active contract.
